Important notice to all Clubs

The President of the WPF and the Judges and Presenters Secretary have been out recently giving presentations to various clubs and have received no reminder, nor have they been asked what equipment they require for the presentation.

This is just not good enough! If you invite a speaker then you should have the courtesy to make sure that the speaker feels comfortable that he/she will be welcomed when they arrive and know that the equipment required for their presentation is in place. Also that they have been reminded of the event a few days before to ensure that you know that all is well and that they are able to attend.

This assumption that they will just TURN-UP is not acceptable – it is taking the speaker for granted. We realise that occasionally circumstances make a reminder difficult, but clubs should make sure that there is more than one person aware of the event and that the speaker is kept informed.

Another point that I have been asked to mention; can you please start on time; 7.30pm. should mean 7.30pm, not 7.40pm or 7.50pm as is so very often the case. The speaker will have prepared their talk to fit the times you have told them, so please ensure you adhere to those times. You may even wish to consider making your club announcements five minutes earlier than the proposed start time or during the tea-break in order to give the presenter the maximum amount of time. It is not fun to stand for 20 minutes listening to a multitude of announcements and then have to rush through a talk designed to last a specific amount of time.

Most Presenters will aim to arrive around 30 minutes before start time (unless otherwise agreed) in order to set up and check that all their equipment is functioning. So please have someone there to meet and greet them in plenty of time, not ten minutes before as happened recently.

Having said all this, the clubs we have attended are very friendly and appreciative – they just need to think a little more about the person who is going to entertain them, who has often travelled a long way.

Ed Cloutman (Judges and Presenters Secretary)

RPS Conference at Warwick

The RPS Digital Imaging Group (DIG) One Day Conference At Warwick – A Date For Your Diary

The RPS Digital Imaging Group (DIG) has given advanced notice that it is planning a very large one-day conference at Warwick on Sunday Sept 20th 2015. As they are aiming to sell 500 tickets to RPS and non-RPS UK-based photographers they thought that members might like to be aware of this date well in advance, to avoid double-booking. The event will be launched at the end of February and full information about the programme will be made available then. In the meantime, please put the date in your diary – and watch this space!

Inkjet Masterclass Video

We've received this from **John Read** at [Marrutt](#).

Please click [here](#) to view a video of a talk delivered to Steyning C.C. in November 2014 entitled: "Inkjet Printing Masterclass". There are no copyright restrictions to this movie – please pass on to your members as you wish.

Monitors vs Projectors - for viewing images....

We've received this from Harry Gardiner at Tenby.

*As a result of a long argument on Facebook about monitors v projectors I tried viewing digital entries in **Irfanview** and found it was excellent with competition size images. You can zoom in and it handles the image properly so you see the image and not pixels. I would strongly recommend it over Windows viewer for judges looking at digital images on monitors prior to projection at a club. It probably would be better on projectors too. Don't know. What it does is shows the image re-sized to whatever you want but re-displayed well without pixels 'zagging' up at you!*

I would certainly recommend it to any other judges who rely on Windows viewer..... Better basis for judging, especially sharpness.....

AWPF Assessments, 9th November 2014

Some excellent work was presented at this year's AWPF assessments, held at Talbot Green Community Centre, which resulted in a higher pass rate than other years.

There were 16 entries, 14 in prints and 2 in PDIs. 11 AWPF awards were made, resulting in a 69% success rate. Many congratulations to the successful candidates, who were:

Lynda Beynon – Gwynfa CC
Robert Beynon – Gwynfa CC
David Condon – Swansea CC
Janet Davies – NWPf
Trevor James – Gwynfa CC
Ronald Lines – Ebbw Vale CC
Barbara McLoughin – Gwent PS
Eric Pearce – Ebbw Vale CC
Andy Polakowski – Mold CC
Margaret Salisbury – NWPf
Tim Wood – Bridgend CC

Those who did not make it on this occasion missed by a very narrow margin and were strongly urged to try again next year. Several successful candidates commented that the help and advice that they had received at the AWPF Workshop had made all the difference and recommended that anyone considering submitting a panel should attend a workshop first.

I would like to thank everyone who helped to make the day such a success, in particular, Alan Shepherd & Vince Penticost, (Presentation) Guy Butler-Madden & Cliff Emery,(Display) David Paskin (Catering) and, of course, our judges, Nick Jenkins (Chairman), Margaret Collis, Jenny Hibbert, David Lingham and Paul Richards.

John Cooke
(Distinctions Secretary).
