Ray Anderson

Some sad news concerning ex Vale Photographic Club member **Ray Anderson**.

Ray died from a heart attack whilst out cycling two weeks ago. As you will recall he was a stalwart of the club in all its incarnations and could take a very good photograph quite effortlessly. He left the club when he moved to Somerset, but a lot of members will recall his marvellous architectural shots, as well as his judging and lecturing skills.

FIAP Colour Biennial 2015 – Winter

The WPF wants your prints on the theme of '**Winter**' for the FIAP Colour Biennial 2015 which will be held in England.

The closing date is in **June** so we will need prints **by the middle of May**.

In the first instance, please send **digital images** to Jan Cawley in order for us to collate plenty of images to choose from. Email: janetepryor@gmail.com

The catalog from the 25th Biennial held in Argentina in 2013 has finally arrived. It can be seen [here](#). (Jan apologises for the poor quality of the PDF document. This is how it was received from FIAP).
